www.acs.edu.au, 07 5562 1088

Carpentry, Mud Brick, Rock & Brick Work, Small Business, Self-Sufficiency, Bed & Breakfast Management, Alternative Energy, Permaculture, Landscaping, Green Walls + more.

AUSBALE

www.ausbale.org

The Australasian Straw Bale Building Association is an organisation that promotes the use of straw bale construction as a sustainable building material. Contact Bohdan Dorniak, Treasurer – 08 8344 8170

ROOFING MOUNTED GUTTER BRACKETS

www.gandgbrackets.com.au

No fascia boards or rafters required. Reduces building materials. Allows extended roof sheet overhang. Fixes directly to roof sheeting, also bullnose. Big problem solver.

The brackets come in three gutter profiles. Sizes: 115mm + 125mm quad, high and low front; 150mm V round fits all V round profiles.

email@gandgbrackets.com.au
Phone 0427 510 778 for contact or leave message

Order direct online, payment C.O.D or direct deposit.

EARTH BUILDING ASSOCIATION OF AUSTRALIA

www.ebaa.asn.au

Australia's only association dedicated to furthering the use of building with unfired earth, an environmentally sustainable technology. EBAA, PO Box 3210, Eltham Vic 3095; 0429 321 104

BSE CONSULTING – STRUCTURAL ENGINEERS

Leaders in straw and earth engineering design

We are inspired to fight mediocrity in residential engineering design.

Our business is the accessibility of straw and earth building technologies.

Our service is the demonstration of National Construction Code (NCC) compliance of all types of straw and earth structures through engineering design and NCC Performance Solutions.

Contact us for structural engineering and NCC Performance Solutions with guaranteed acceptance by councils and consent authorities.

TIMBER FRAMES OF AUSTRALIA

www.timberframes.com.au

Timber frames crafted for beautiful homes and outdoor structures using traditional mortise and tenon joinery.

Office: 08 8390 3150

STRAW.COM.AU

Specialising in rice straw bales for house building

Photos: Viva Living Homes

Family business with 32 years growing and baling straw on our own farms at Coleambally NSW. Building bales are tight, uniform, rice straw bales. Bale dimensions: 800–850mm long, 450mm wide and 365mm high. We take pride in a quality building product, delivered to your site at a competitive price. All loads of building bales completely covered and guaranteed weather damage free. We can supply to NSW, SA, Victoria and Tasmania.

Contact Trent to discuss your needs on 0427 546 124 or sales@straw.com.au

STRAW BALE BUILDING

www.straw-bale-houses.com

Real builder helps you get through council red tape with full engineering service, owner builder workshops, design and drafting as well as personal consulting.

You can have the confidence that no matter what challenges you face when building your straw bale home, the answer is just a phone call away.
