WA - WITCHCLIFFE ECOVILLAGE: Near Margaret River, this will be a fully integrated village, self sufficient in renewable energy, water, and fresh food produce. 08 9757 6688, www.ecovillage.net.au

STRAW BALE RESOURCES FOR SALE:

It's time for us to sell our straw bale house (see *TOB 205 Feb/Mar 2018*) and all the books and tools we have accumulated. 40+ books on: straw bale, mud brick, stone, adobe, rammed earth, cob, natural finishes, healthy homes, framing, renovating, cabinet making and woodworking, permaculture and organic veggie growing. Also some tools specific to straw bale building as well as some old hardwood lengths threaded rods and all the tools needed for cutting, laying and grouting tiles. Fire sale prices – everything must go! I can send specifics, prices and photos of any of the above. Happy to send books by mail but other items would need to be picked up. We are in the Noosa Hinterland area. Contact Lin and Wayne 07 5447 9115, dillonlin2@gmail.com

CYPRESS SAWMILLER: Cypress macrocarpa graded to F7 or better. Up to 500x250mm wide and 6.5m long (maximum width and length). Phone 03 5659 7211 or 0418 361 539. (Strzelecki) www.maddockscypressawmill.com.au

TASMAN ECOVILLAGE: On the magnificent Tasman Peninsula, just one hour from Hobart Airport, a new village community is growing, based on permaculture and co-housing principles. It is just five minutes' walk from the centre of Nubeena, where local services include a supermarket, bank, school, tavern, pharmacy, post office, library, community centre and more. Purchase of a small strata title land lot includes a share in community facilities and 19 acres (7.8ha) of common ground. The residential and commercial zoning allows for home-based businesses. All underground services, NBN and pre-approved house planning permits are in place. www.tasmanecovillage.org.au
