**TASMAN ECOVILLAGE:** On the magnificent Tasman Peninsula, just one hour from Hobart Airport, a new village community is growing, based on permaculture and co-housing principles. It is just five minutes' walk from the centre of Nubeena, where local services include a supermarket, bank, school, tavern, pharmacy, post office, library, community centre and more. Purchase of a small strata title land lot includes a share in community facilities and 19 acres (7.8ha) of common ground. The residential and commercial zoning allows for home-based businesses. All underground services, NBN and pre-approved house planning permits are in place. [www.tasmanecovillage.org.au](http://www.tasmanecovillage.org.au)
