*Belinda and John Morgan's  
inside out brick veneer home.*  
*See story on p. 30.*

<b>Inner city house</b> .....	<b>6</b>
<i>An old factory that's become an owner builder's opportunity.</i>	
<b>Poured earth</b> .....	<b>11</b>
<i>It's not mud brick and it's not rammed earth.</i>	
<b>Home made parquetry</b> .....	<b>18</b>
<i>Enjoy the quietness of concrete and the warmth of wood.</i>	
<b>Plans without problems</b> .....	<b>20</b>
<i>Get it right on paper first. Save building alterations later.</i>	
<b>Rambling rubble walls</b> .....	<b>25</b>
<i>The ancient art of dry stone walling explained.</i>	
<b>Inside out brick veneer</b> .....	<b>30</b>
<i>It makes so much sense to put the bricks on the inside.</i>	
<b>Building a Coptic dome</b> .....	<b>39</b>
<i>A little bit of Egypt comes to down town Adelaide.</i>	
<b>Bales in the 'burbs</b> .....	<b>47</b>
<i>Straw bale building makes it to the suburbs.</i>	
<b>A slow but sure progress</b> .....	<b>53</b>
<i>Ian Rooke's imaginative home at Margaret River.</i>
